

**ARTICULATION AGREEMENT
BETWEEN
Coleman University
8888 Balboa Avenue, San Diego, CA 92123
and
BIR TRAINING CENTER**

This Articulation Agreement ("Agreement") is entered into between Coleman University and BIR Training Center ("BIR") in order to allow the credits from specific courses listed on the attached Course Sheet (Attachment A) and completed at BIR Training Center to transfer to Coleman University. This Agreement will allow students who attended BIR to continue their education at Coleman University without the loss of these specific credits earned by the student at BIR. The attached Course Sheet lists side by side which BIR and which Coleman University courses the parties deem to be equivalent courses, and thus accepted for transfer credit by Coleman University.

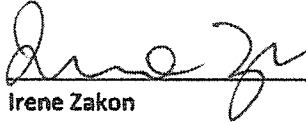

Students who complete any of the BIR courses listed on Attachment A with a grade of "C" or better may apply to Coleman University to transfer credits from those BIR courses to Coleman University, and Coleman University will unconditionally accept for transfer credit the credits earned in those courses in fulfillment of the equivalent General Education courses and apply those credits towards the completion of bachelor or associate degree program at Coleman University. Since the effective date of this agreement, the courses and credits listed on Attachment A have been and continue to be unconditionally accepted by Coleman University.

Students who would like to transfer BIR credits to Coleman University must submit to the Coleman University Admissions Department an official copy of their BIR transcript as well a completed credit transfer application. Coleman University does not charge a transfer credit fee.

Transfer credits are not included in the GPA of the BIR student at Coleman University. Students may transfer to Coleman University a maximum of 30% of the total scheduled credits for their program.

This Agreement will be in effect for five years from the date of execution, unless terminated earlier. This Agreement may be terminated by either party with thirty (30) days advance written notification to the other party.
