ARTICULATION AGREEMENT  
BETWEEN  
BIR TRAINING CENTER  
AND  
JUDSON UNIVERISTY

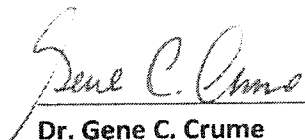

This Articulation Agreement ("Agreement") is entered into between **BIR TRAINING CENTER** ("BIR") and **JUDSON UNIVERSITY** ("JUDSON") in order to allow the credits from specific courses listed on the attached Course Sheet and completed at BIR to transfer to JUDSON. This Agreement will allow students who attended BIR to continue their education at JUDSON without the loss of these specific credits awarded by BIR. The attached Course Sheet lists side by side which JUDSON courses and which BIR courses are deemed by the parties to be equivalent courses, and thus accepted for transfer credit.

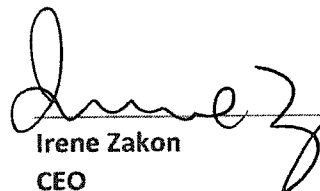

Students who complete any of the BIR courses listed on the Course Sheet with a grade of "C" or better may apply to JUDSON, and JUDSON guarantees the courses will be accepted for transfer in accordance with how they are listed as equivalent on the Course Sheet. From the effective date that this Agreement is enacted, and as long as the Agreement remains active, JUDSON guarantees to accept the BIR courses and credits as identified on the Course Sheet.

Students who would like to transfer BIR credits to JUDSON must submit to JUDSON an official copy of their BIR transcripts, as well as a completed JUDSON application for admission, and must pay any transfer credit fee required by JUDSON.

Students may transfer to JUDSON a maximum of 66 lower-level credits to be applied to program requirements. BIR transfer credits will not be included in the JUDSON GPA, but they will factor into the overall summary GPA.

The Agreement will be in effect for five years from the date of enactment, unless terminated earlier. This Agreement may be terminated by either party within thirty (30) days advance written notification to the other party.
