

**ARTICULATION AGREEMENT
BETWEEN MOSCOW UNIVERSITY TOURO
and
BIR TRAINING CENTER**

This Articulation Agreement is entered into between **Moscow University Touro** ("MUT") and **BIR Training Center** ("BIR") in order to allow the credits from specific courses listed on the attached Course Sheet and completed at BIR Training Center to transfer to Moscow University Touro. This Agreement will allow students who attended BIR to continue their education at MUT without the loss of these specific credits earned by the student at BIR.

The Course Sheet lists side by side which MUT and which BIR courses in which programs are deemed by the parties to be equivalent courses, and thus accepted for transfer credit.

Students who complete any of the BIR courses listed on the Course Sheet with a grade of "C" or better may apply to MUT to transfer credits from those BIR courses to MUT, and MUT will unconditionally accept for transfer credit the credits earned in those courses in fulfillment of the equivalent MUT course and apply those credits towards the Bachelor of Science in Business & Management degree program at MUT. Since the effective date of this agreement, the courses and credits listed on the Course Sheet have been and continue to be unconditionally accepted by MUT.

Students who would like to transfer BIR credits to MUT must submit to MUT an official copy of their BIR transcript as well a completed MUT credit transfer application, and must pay any transfer credit fee required by MUT.

Transfer credits are not included in the GPA of the MUT student, and students may transfer in a maximum of 20% of the total scheduled credits for their program.

This Agreement will be in effect for five years from the date of execution, unless terminated earlier. This Agreement may be terminated by either party with thirty (30) days advance written notification to the other party.
